REFERRAL LIST

The names listed are counselors known as Christians with a desire to help people get healthy (emotionally and psychologically), while moving them toward spiritual growth. This list is merely informational. Nothing herein should be construed as any type of guarantee by Eastview as to the quality or success of services rendered.

As you inquire into options for therapy, here are some helpful tips or questions: Are they contracted with your insurance? If their fee is a hurdle, do they have a sliding scale (according to income) or payment options? Your wellness is important, so ask how/ if they can work with you.
